Green Ard – Who are we?

Green Ard is an eco-friendly company driven by motive to create sustainable solutions to global problems in an inspiring and realistic way. The term ‘Ard’ comes from the Arabic language meaning Earth itself. We offer best quality eco-friendly, biodegradable and compostable products that can be alternatives to items you use every day.

We have wide range of eco-friendly products such as stationery, disposables, corporate gifting and many more lifestyle products

GREEN-ARD

Our Mission

Our mission is to promote green living and make eco friendly products a new normal. We aim at linking different sectors and promote eco-friendly products throughout the world. We strive to serve, curate and thrive sustainable environment.

We care about you, so we deliver best possible products for a joyful experience. Come join us in our mission for a greener and healthier planet, where we can learn, share and celebrate together.

GREEN-ARD

Eco – Stationery

Introducing our first range of eco friendly products that grow into plants. Imagine gifting somebody a token of life, or using pen/pencil which can grow into a plant and not regard it as a plastic waste.

Green Ard Stationery is “Use and Grow” and not “Use and throw”.

Our stationery is made from seed paper and recycled paper, minimizing use of plastic, saving trees and energy, encouraging to plant more trees.

Our range includes:-

- Plantable pen
- Plantable Colour pencil, crayons, colour pen
- Plantable pencils
- Plantable notepads
- Plantable Dairy
- Plantable Calendar
- Grow your self kit
- Various Gifting combo Boxes for all occasions

Eco - Stationery

Eco Lifestyle

Eco – Bags & Baskets

We offer a wide range of bags and baskets which are recyclable, reusable and environment friendly. Our baskets are made from bamboo, kauna, and ratan.

Bamboo has ability to absorb carbon dioxide and produce oxygen. All our design are made keeping environment our priority.

We also have wide range of reusable bags :-

- Jute bags-
- Cotton Bags
- Canvas bags
- Papcot bags

Papcot is made from waste cotton collected from cotton mill. These bags look like paper bags but have strength of cotton, they are strong , durable and waterproof.

We also have paapcot seed bags which are plantable
