streams processed**

How We Work (Company Culture)

Ehfaaz is a startup that is redefining the recycling landscape in Dubai . We leverage automation across all our business lines to give used/expired resources a new life.

Customer Obsessed

We develop superior understanding of our customers and their needs. We create and deliver solutions, that build lasting equities. We develop win-win relationships with our customers and our suppliers.

Integrity

We always try to do the right thing. We are honest and straightforward with each other.

Trust

We respect our colleagues, customers, and suppliers, and treat them as we want to be treated. We believe that people work best when there is a foundation of trust.

Teamwork

We work together with confidence and trust internally and externally. We build superior relationships with all the parties who contribute to fulfilling our mission

Ownership

We accept personal accountability to meet the business needs, improve our systems and help others improve their effectiveness.

Fast & Reliable

We say what we mean, and we mean what we say. We then do it fast and effectively

Our Value Proposition
